Antitrust Statement:

ASI Ways of Working

ASI is a multi-stakeholder organisation. Dialogue is at the heart of everything we do. It is critical to
ensure that the organisation delivers on its mission. We welcome all participants and value the
diversity of backgrounds, views and opinions represented in this meeting. We recognise that we have
different opinions; that is the heart of healthy debate and leads to better outcomes. To ensure our
meetings are successful, we need to express our views and hear the views of others in a respectful and
professional way, protecting the dignity and safety of all participants and enabling full participation
from all attendees.

Introduction and context

ASI publishes a summary of Board meetings and teleconferences in the interests of transparency.

The following principles are applied in preparing these summaries:

- Statements or perspectives are not attributed to individuals.
- The following matters are NOT included in the summary: personnel matters, financial approvals, small items, or sensitive, premature or evolving discussions.
- Board decisions are shared, but not the deliberations or decision-making processes that lead to them.
- Publishing the Board’s decisions does not invite or open up debate about these decisions.
- The Board approves the summary before publication on the ASI website and via the monthly Members Update.

Topics discussed at this Board meeting:

- Welcome and orientation for new Directors.
- Updates to the ASI Membership Information and Application Form.
- AGM briefing and panel preparations.
- Recap of 2022 Strategy and Budget and next planning steps.
- ASI Risk Assessment and next review steps.
- Discussion of regular items relating to governance, strategy, finance and operations.

- Preparations for the 2022 Annual General Meeting (AGM) were discussed.

- Dates and location for the 3 day in-person Board meeting were confirmed, and a draft program discussed.
