About IBAAS

International Bauxite, Alumina & Aluminium Society (IBAAS) is set up by professionals active in various fields of aluminium industry and is registered in India [Registration No. MAH-820/12 (N)]. The society has vast experience in organizing similar conferences on bauxite, alumina and aluminium in India, China and Guinea. IBAAS has successfully organized eight International events of Aluminium Industry in Asia and Africa during the period 2012-2019. Details of these past IBAAS International conferences can be downloaded from the IBAAS website <http://www.ibaas.info/>.

About JNARDDC

Jawaharlal Nehru Aluminium Research Development and Design Centre (JNARDDC) is an autonomous body under ministry of mines, Govt. of India. It is a “Centre of Excellence” set up in 1989 as a joint project by Ministry of Mines, Government of India and United Nations Development program and fully functional since 1996. It was set up with a vision to create a state of the art research institute for the development of technologies and provide services to both primary and secondary aluminium industries with a special emphasis on environmental sustenance, energy and material conservation.

About ASI

Aluminium Stewardship Initiative Ltd was incorporated as a non-profit public company limited by guarantee in Australia in June 2015 and is a Registered Charity. It has a global membership of more than 100 organisations, comprised of companies throughout the aluminium value chain, civil society organisations, associations and other supporters. ASI is also a member of the ISEAL Alliance, the global membership association for credible sustainability standards.
