OUTCOME

- Certification
-

AUDIT
METHODOLOGY
DECLARATION

The Auditors confirm that:

- The information provided by the Entity is true and accurate to the best knowledge of the Auditor(s) preparing this report.
 - The findings are based on verified Objective Evidence relevant to the time period for the Audit, traceable and unambiguous.
 - The Audit Scope and audit methodology are sufficient to establish confidence that the findings are indicative of the performance of the Entity's defined Certification Scope.
 - The Auditor(s) have acted in a manner deemed ethical, truthful, accurate professional, independent and objective.

SUMMARY OF FINDINGS

CRITERION	RATING	COMMENT
PRINCIPLE 1 BUSINESS INTEGRITY		
1.1 Legal Compliance	Conformance	<p>The Entity has implemented an adequate system to monitor and comply with the applicable legal requirements. The applicable periodic OHS&E legal requirements are listed in a calendar to ensure knowledge and follow-up.</p> <p>Legal reviews are performed through the 'Enhesa tool' and internal audit process. A legal team from Novelis Corporate is available to provide support to the Entity.</p>
1.2 Anti-Corruption	Conformance	<p>The Entity has established and implemented an Anti-Bribery and Corruption Policy and a Code of Conduct, including principles relevant to anti-Corruption, Bribery, conflict of interest, gifts and donations. This also includes an approbation process for any contributions.</p> <p>The Entity's Code of conduct is available at: https://www.novelis.com/download/code-of-conduct/</p>
1.3 Code of Conduct	Conformance	<p>The Entity has implemented a Code of Conduct, including principles relevant to environmental, social, and governance performance. The Code of Conduct is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf</p>
PRINCIPLE 2 POLICY & MANAGEMENT		
2.1a Environmental, Social, and Governance Policy (implement and maintain)	Conformance	<p>The Entity has implemented Policies consistent with environmental, social, and governance practices. For more information refer to: https://www.novelis.com/?s=policy&post_type=page</p>
2.1b Environmental, Social, and Governance Policy (senior management)	Conformance	<p>The Entity has implemented a document control system, and Environmental, Social, and Governance policies were signed and acknowledged by senior management. It was demonstrated that senior management provides support through the availability of resources and periodic reviews of policies. The Policies are available on the Novelis website: https://www.novelis.com/?s=policy&post_type=page</p>
2.1c Environmental, Social, and Governance Policy (communication)	Conformance	<p>The Entity provides training to employees on the Environmental, Social, and Governance policies with annual refreshers. The policies are posted throughout the Facility. More information is available</p>

CRITERION	RATING	COMMENT
		<p>at: https://www.novelis.com/?s=policy&post_type=page</p>
2.2 Leadership	Conformance	<p>The Entity has assigned one senior Management Representative who has the overall responsibility and authority for ensuring conformance with the ASI Performance Standard.</p>
2.3a Environmental and Social Management Systems (environmental)	Conformance	<p>The Entity is certified to ISO 14001:2015 with a certificate valid until April 2027. There is a documented Environmental Management System (EMS) comprising of environmental Policies, procedures and records. Environmental impacts are assessed and documented in a detailed and comprehensive environmental aspect registry and operational procedures, controls and an internal audit program are established.</p>
2.3b Environmental and Social Management Systems (social)	Conformance	<p>The Entity has established different Policies to ensure social impacts are mitigated. The Code of Conduct has strict requirements for workplace ethics and respect of Workers rights. The Supplier Code of Conduct also ensures the labour rights of suppliers and their Workers are respected. The Novelis Corporate has developed a report in 2024 on fighting against Forced Labour and Child Labour in supply chains available at: https://www.novelis.com/wp-content/uploads/2024/06/Novelis-Inc.-Report-for-FY-2024-on-Fighting-Against-Forced-Labour-and-Child-Labour-in-Supply-Chains.pdf</p> <p>The Entity has established a number of Employee Resource Groups to support employees. BREATH ERG program aims to address the deeper challenges facing Black employees. The PROUD ERG for LGBTQIA2S+ members and allies at events within and outside Novelis with a focus on strengthening the support network. In 2023-24, Woman in Novelis (WiN) hosted an educational series on the needs and challenges of female employees. A Corporate Social Responsibility Program is implemented to benefit Local Communities through donations and charities such as STEM education, volunteering, charities and ecosystem development.</p>
2.4 Responsible Sourcing	Conformance	<p>The Entity has implemented a Responsible Purchasing Policy and a Supplier Code of Conduct addressing environmental, social, and governance issues.</p>

CRITERION	RATING	COMMENT
		All suppliers must participate in a well-defined onboarding process that includes engagement toward the Novelis Supplier Code of Conduct. A risk assessment process as well as mitigation measures and monitoring measures are implemented. For more information, refer to: https://www.novelis.com/suppliers
2.5 Impact Assessments	Conformance	The Entity has implemented a sustainability framework that includes a Technical Standard for Conducting Environmental and Social Impact Assessments. This Standard aims to predict and evaluate the significance of beneficial and adverse impacts to the environment and people from a proposed New Projects or Major Changes. At the time of the Audit, no Major Changes or New Projects took place within the last year nor are planned in the years ahead.
2.6 Emergency Response Plan	Conformance	The Entity has developed a comprehensive Emergency Response Plan that addresses several scenarios. This Plan defines responsibilities, training requirements, drills, communications and the provision of emergency equipment. The Plan is elaborated upon, reviewed periodically and communicated to relevant interested parties as required.
2.7 Mergers and Acquisitions	Conformance	Any merger and/or acquisition activities at the Entity are managed by Novelis Corporate. More information is available at: https://www.novelis.com/?s=mergers
2.8 Closure, Decommissioning and Divestment	Conformance	Any closure, decommissioning, and divestment activities at the Entity are managed by Novelis Corporate. More information is available at: https://www.novelis.com/?s=mergers
PRINCIPLE 3 TRANSPARENCY		
3.1 Sustainability Reporting	Conformance	The Entity's Sustainability Reports are publicly communicated and summarise the environmental, social, and governance (ESG) approaches implemented. The Sustainability Reports are published annually for each fiscal year, with the latest version available online at: https://www.novelis.com/sustainability
3.2 Non-compliance and liabilities	Conformance	The Entity does not have any non-compliances or liabilities. Any fines, sentences, penalties, and sanctions are publicly disclosed at the Environmental Registry of Ontario: https://ero.ontario.ca

CRITERION	RATING	COMMENT
3.3a Payments to governments (legal and contractual)	Conformance	All operational taxes and fee payments are made only on behalf of the Entity. The Entity has implemented a step-by-step procedure for analysing, approving and making payments to the Government in accordance with the Anti-Corruption Policy.
3.3b Payments to governments (disclosure - bauxite mining)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
3.4 Stakeholder complaints, grievances and requests for information	Conformance	The Entity has implemented accessible, transparent, understandable and gender and culturally sensitive grievance mechanisms suitable for dealing with grievances and requests for information from Stakeholders related to its operations. For more information refer to: https://www.novelis.com/suppliers/ethics-line-vox-novelis
PRINCIPLE 4 MATERIAL STEWARDSHIP		
4.1a Environmental Life Cycle Assessment (life cycle impacts)	Conformance	The Entity has assessed the impacts of the life cycle of all its main processes and is prepared for the Aluminum Association which is relevant to the Entity's products and lifecycle. For more information refer to: https://www.aluminum.org
4.1b Environmental Life Cycle Assessment (cradle to gate)	Conformance	The Entity publicly discloses the environmental Life Cycle Assessment (LCA) through the report prepared by the Aluminum Association relevant to the Entity's products and includes results in terms of cradle-to-gate and cradle-to-grave potential environmental impacts. More information is available at: https://www.aluminum.org
4.1c Environmental Life Cycle Assessment (public communication)	Conformance	The Entity publicly discloses the environmental LCA through a report prepared by the Aluminum Association relevant to the Entity's products. More information is available at: https://www.aluminum.org
4.2 Product design	Conformance	The Entity supports the closed-loop process with their customer and the design process is shared between them. Other design responsibilities are handled by Novelis Corporate.
4.3a Aluminium Process Scrap (targets)	Conformance	The Entity's scrap recovery overview includes batch annealing with scrap and is part of the Closed Loop process that has 100% scrap recovery, for other processes that produce scrap current target is 80%.

CRITERION	RATING	COMMENT
		More information is available at: https://www.aluminum.org
4.3b Aluminium Process Scrap (alloy separation)	Conformance	The Entity's plant-level scrap separation process includes alloy recycle percentage to prime alloy percentage.
4.4a Collection and recycling of products at end-of-life (strategy)	Conformance	The Entity has implemented a recycling strategy, which includes specific timelines, activities, and targets.
4.4b Collection and recycling of products at end-of-life (engagement)	Conformance	The Entity has established a recycling strategic plan and is engaged with local, regional, or national collection and recycling systems to support accurate measurement and efforts to increase recycling rates for their Products containing Aluminium.
PRINCIPLE 5 GREENHOUSE GAS EMISSIONS		
5.1 Disclosure of GHG emissions and energy use	Conformance	The Entity accounts for and calculates GHG emissions using data provided by all Facilities. The energy use and GHG emissions are reported monthly to the Novelis Corporate Center which are aggregated and disclosed in the Novelis Sustainability Report, which is available at: https://www.novelis.com/sustainability
5.2 GHG emissions reductions	Conformance	The Entity has developed annual GHG energy and emissions targets, which are publicly disclosed within the Novelis Sustainability Report, which is available at: https://www.novelis.com/sustainability Novelis has committed to a 10% energy reduction and a 30% reduction in carbon footprint by 2026 against a 2016 baseline. A reduction plan has been documented that includes projects and actions to ensure goals are achieved, which also articulates Novelis' GHG emissions reduction target of 'Vision 3x30'.
5.3a Aluminium Smelting (management system)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
5.3b Aluminium Smelting (up to and including 2020)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
5.3c Aluminium Smelting (after 2020)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
PRINCIPLE 6 EMISSIONS, EFFLUENTS AND WASTE		
6.1 Emissions to Air	Conformance	The Entity quantifies and reports emissions to the atmosphere that have adverse effects on humans

CRITERION	RATING	COMMENT
		<p>or the environment. A report of air emissions is submitted to the Ministry of Environment. This information is available to the public via the information request process. A summary of the air emissions is provided in the ASI Spotlight section of the 2022 Sustainability Report. More information is available at: https://www.novelis.com/sustainability</p>
6.2 Discharges to Water	Conformance	<p>The Entity has completed an assessment of the main risk areas of operations where Spills and Leakages can contaminate the air, water and/or soil and reported water discharges to the local authority. Environmental Aspects/Safety HIRARC Inventory, demonstrating that the water discharge, when undertaken, is properly treated by the effluent treatment system, meeting the pre-defined parameters. The Entity reports water discharges to the City of Kingston.</p>
6.3a Assessment and Management of Spills and Leakage (assessment)	Conformance	<p>The Entity has undertaken an assessment of the main risk areas where Spills and Leakages can contaminate the air, water and/or soil through the Spill Prevention, Control and Response Performance Standard procedure.</p>
6.3b Assessment and Management of Spills and Leakage (management)	Conformance	<p>The Entity has implemented a management plan and external communication, compliance controls and monitoring program to prevent and detect these Spills and Leakages through the Spill Prevention, Control and Response Performance Standard procedure. No spill situation that has caused any kind of impact has been identified.</p>
6.4a Reporting of Spills (immediate disclosure)	Conformance	<p>The Entity has implemented the management plan and external communication, compliance controls and monitoring program to prevent and detect these Spills and Leakages through the Spill Prevention, Control and Response Performance Standard procedure. No Material Spills have occurred on the site that required reporting to an external agency. Any reportable Spills are disclosed to the Ontario Environmental Property Information Program: https://www.ontario.ca/page/environmental-property-information-program</p>
6.4b Reporting of Spills (regular reporting)	Conformance	<p>The Entity has implemented the management plan and external communication through the Spill Prevention, Control and Response Performance Standard procedure. No Spill situation was identified, which caused any type of impact and need for external communication.</p>

CRITERION	RATING	COMMENT
6.5a Waste management and reporting (strategy)	Conformance	<p>The Entity has implemented a waste management strategy that is designed in accordance with the Waste Mitigation Hierarchy and the Entity's Waste Management Program Procedure.</p> <p>The Entity's waste minimisation plan defines detailed waste streams including the management and mitigation of Hazardous and Non-Hazardous Waste.</p> <p>Novelis has set a goal to reduce by 20% waste sent to landfill by 2026. All goals and achievements towards it are disclosed in the Novelis Sustainability Report available at: https://www.novelis.com/sustainability/sustainability-report</p>
6.5b Waste management and reporting (disclosure)	Minor Non-Conformance	<p>The Entity accounts for each type of waste generated monthly through the Power BI dashboard, including both Hazardous and Non-Hazardous Waste. The Novelis Sustainability Report provides aggregated site data and performance against waste reduction goals. However, there is currently no evidence that Novelis has publicly disclosed the amount of Hazardous and Non-Hazardous Waste generated and associated waste disposal methods, as only the total landfilled wastes are disclosed in the report.</p> <p>General waste data are available in the Novelis Sustainability Report at: https://www.novelis.com/sustainability/sustainability-report</p>
6.6a Bauxite Residue (storage construction)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.6b Bauxite Residue (integrity checks and controls)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.6c Bauxite Residue (water discharge)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.6d Bauxite Residue (marine and aquatic environments)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.6e Bauxite Residue (state of the art technologies)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.6f Bauxite Residue (remediation)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.

CRITERION	RATING	COMMENT
6.7a Spent Pot Lining (SPL) (storage and management)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.7b Spent Pot Lining (SPL) (recovery and recycling)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.7c Spent Pot Lining (SPL) (Untreated SPL)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.7d Spent Pot Lining (SPL) (review of alternatives)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.7e Spent Pot Lining (SPL) (marine and aquatic environments)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.8a Dross (recovery)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.8b Dross (recycling)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
6.8c Dross (review of alternatives)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
PRINCIPLE 7 WATER STEWARDSHIP		
7.1a Water assessment (mapping)	Conformance	The Entity has identified and mapped water use by source and type. The Water Balance includes water withdrawal, showing consumption, discharge, and consumption.
7.1b Water assessment (risk assessment)	Conformance	The Entity evaluated the risks related to water in Watersheds within their Area of Influence, through the Report Watershed Assessment, and the data for risk assessment was extracted from WRI (https://www.wri.org/aqueduct). The result of the Risk Assessment related to water in Watersheds in the Entity's Area of Influence is low.
7.2a Water management (management plans)	Conformance	The result of the Risk Assessment related to water in hydrographic basins in the Entity's Area of Influence is low, however, the Entity monitors the results monthly and the corporate goals regarding water use are included in the Sustainability Report: https://www.novelis.com/sustainability/scaling-circularity
7.2b Water management (monitoring)	Conformance	The result of the Risk Assessment related to water in hydrographic basins in the entity's Area of Influence is low. The Entity monitors the results and corporate goals for the use of water monthly.

CRITERION	RATING	COMMENT
7.3 Disclosure of water usage and risks	Conformance	The Entity has evaluated the risks related to water in watersheds in the Entity's Area of Influence, through the Watershed Assessment tools. No Material risks to watersheds were identified. Water withdrawal and usage are accounted for monthly by the Entity via the Sustainability Dashboard. Water data are aggregated by Novelis Corporate and are published in the Novelis Sustainability Report: https://www.novelis.com/sustainability
PRINCIPLE 8 BIODIVERSITY		
8.1 Biodiversity assessment	Conformance	The Entity has assessed the risks related to the materiality of impacts on Biodiversity from land use and activities in the Entity's Area of Influence through an Ecological Footprint Report. The report provides a summary of the site's regional ecology.
8.2a Biodiversity management (biodiversity action plans)	Conformance	The Entity has evaluated the risks of local activities on Biodiversity and appropriate and preventive action plans were developed in the Biodiversity Risk Assessment data sheet. The Entity's third party biodiversity assessment is used to develop future action plans with time-bound targets.
8.2b Biodiversity management (consultation and mitigation hierarchy)	Conformance	The Entity has assessed the risks related to the Materiality of impacts on biodiversity from land use and activities in the Entity's Area of Influence through the Ecological Footprint. The report provides a summary of the site's regional ecology. The Entity has evaluated the risks of local activities on biodiversity and appropriate and preventive action plans were developed in the Biodiversity Risk Assessment data sheet. Arcadis third party assessment with Novelis includes areas where they use the biodiversity assessment with land acquisition and reporting.
8.2c Biodiversity management (reporting)	Conformance	The action plan demonstrates that the Entity has established positive impact actions for the improvement and conservation of biodiversity. The Entity will publicly disclose outcomes in the next edition of the Sustainability Report: https://www.novelis.com/sustainability/scaling-circularity
8.3 Alien Species	Conformance	The Entity has assessed the risks related to the Materiality of impacts on biodiversity from land use and activities in the Entity's Area of Influence through the Ecological Footprint, the report

CRITERION	RATING	COMMENT
		provides a summary of the site's regional ecology. Evidenced that during the assessment, no impacts on Biodiversity that need remediation were identified, the action plan developed demonstrates that the Entity establishes positive impact actions for improvement, conservation, and prevention of accidental or deliberate introduction of Alien Species that may have significant adverse impacts on biodiversity, and the Entity will make the public disclosure in the next edition of the Sustainability report.
8.4a Commitment to “No Go” in World Heritage properties (exploration and new mines)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
8.4b Commitment to “No Go” in World Heritage properties (existing operations)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
8.5a Mine rehabilitation (best available techniques)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
8.5b Mine rehabilitation (financial provisions)	Not Applicable	This Criterion is not applicable to the Entity's Certification Scope.
PRINCIPLE 9 HUMAN RIGHTS		
9.1a Human Rights Due Diligence (policy)	Conformance	The Entity has developed a commitment to Human Rights by adhering to the UN Global Compact in 2011, through the Code of Conduct and the supplier Code of Conduct. The Code of Conduct is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf The Entity's Supplier Code of Conduct is available at: https://www.novelis.com/suppliers
9.1b Human Rights Due Diligence (process)	Minor Non-Conformance	The Entity has developed the Environmental, Social and Human Rights Due Diligence to identify, prevent, mitigate and account for how it addresses its actual and potential impacts on Human Rights in case of a project or Major Changes. However, there is currently no evidence that the Human Rights Due Diligence process identifies actual and potential impacts in accordance with the UN Guiding Principles on Business and Human Rights.

CRITERION	RATING	COMMENT
9.1c Human Rights Due Diligence (remediation)	Conformance	The Entity has demonstrated that it has not caused nor contributed to adverse impacts on Human Rights.
9.2 Women's Rights	Conformance	The Entity has implemented a Working Committee to ensure respect for the rights and interests of women, in accordance with international standards, including the United Nations Convention on the Elimination of All Forms of Discrimination Against Women. More information is available at: https://www.youtube.com/watch?v=erylpgrTVksNovelis The Entity is committed to increasing women in the workplace by 35%.
9.3 Indigenous Peoples	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to ensure respect for the rights and interests of Indigenous Peoples, in accordance with international standards, including ILO Convention 169 and the United Nations Declaration on the Rights of Indigenous Peoples, after mapping the indigenous communities.
9.4 Free, Prior, and Informed Consent (FPIC)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to ensure that New Projects or major changes to existing projects may have significant impacts on Indigenous Peoples culturally associated with and living on the relevant lands.
9.5 Cultural and sacred heritage	Conformance	The Entity has implemented a Land Acquisition, Resettlement and Livelihood Restoration Policy, relevant to when New Projects or Major Changes to existing projects may have significant impacts on Indigenous Peoples culturally associated with and living on the relevant lands. The Entity in consultation with the affected Communities always cooperates to identify cultural or sacred heritage sites and values within the Area of Influence and take appropriate measures to avoid or remedy the impacts, as well as to guarantee continued rights of access to such sites or values.
9.6a Resettlements (avoid or minimise)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to ensure that when New Projects or major changes to existing projects may have significant impacts on Indigenous Peoples culturally associated and living on the relevant lands consider viable alternatives to

CRITERION	RATING	COMMENT
		avoid or minimise physical and/or economic displacement, while balancing environmental, social and financial costs and benefits, paying particular attention to impacts on the poor and vulnerable, including women.
9.6b Resettlements (where unavoidable)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to ensure that when New Projects or major changes to existing projects may have significant impacts on Indigenous Peoples culturally associated and living on the relevant lands consider viable alternatives to avoid or minimise physical and/or economic displacement, while balancing environmental, social and financial costs and benefits, paying particular attention to impacts on the poor and vulnerable, including women.
9.7a Local Communities (rights and interests)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to respect the legal and customary rights and interests of Local Communities in their lands and livelihoods and the use of natural resources. More information is available at: https://www.novelis.com/about-us/community-outreach
9.7b Local Communities (impacts)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to respect the legal and customary rights and interests of Local Communities in their lands and livelihoods and the use of natural resources. More information is available at: https://www.novelis.com/about-us/community-outreach
9.7c Local Communities (livelihoods)	Conformance	The Entity has implemented the Land Acquisition, Resettlement and Livelihood Restoration Policy, to respect the legal and customary rights and interests of Local Communities in their lands and livelihoods and the use of natural resources. More information is available at: https://www.novelis.com/about-us/community-outreach
9.8 Conflict-Affected and High-Risk Areas	Conformance	The Entity has implemented the Novelis Supplier Code of Conduct and it does not contribute to armed conflicts or Human Rights abuses in Conflict-Affected and High-Risk Areas during the process of qualifying new suppliers, the Conflict Minerals Questionnaire is signed. For more information refer to: https://www.novelis.com/suppliers/rfx-process

CRITERION	RATING	COMMENT
		https://www.novelis.com/wp-content/uploads/2021/04/Novelis-Supplier-Code-of-Conduct-ENG-04292021.pdf
9.9 Security practice	Conformance	The Entity has a contracted and private security company, which respects the Human Rights of Workers in accordance with known security standards and good practices.
PRINCIPLE 10 LABOUR RIGHTS		
10.1a Freedom of Association and Right to Collective Bargaining (freedom of association)	Conformance	The Entity respects the rights of Workers to freely associate in Labour Unions, seek representation and join Workers' Councils without interference and in compliance with the National Labor Relations Act of the USA. More information is available at: https://www.nlr.gov/guidance/key-reference-materials/national-labor-relations-act
10.1b Freedom of Association and Right to Collective Bargaining (collective bargaining)	Conformance	The Entity respects the rights of Workers to freely associate in Labour Unions, seek representation and join Workers' Councils without interference and in compliance with the National Labor Relations Act of the USA. More information is available at: https://www.nlr.gov/guidance/key-reference-materials/national-labor-relations-act
10.1c Freedom of Association and Right to Collective Bargaining (alternative means)	Not Applicable	This Criterion is not applicable to the Entity, as there are no restrictions on Freedom of Association and Right to Collective Bargaining in Canada.
10.2a Child Labour (minimum age)	Conformance	The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights, where Child Labour must not be used. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf
10.2b Child Labour (hazardous)	Conformance	The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights, where Child Labour must not be supported or used. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf
10.2c Child Labour (worst forms)	Conformance	The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights, where Child Labour must not be supported or used. More information is available at: https://www.novelis.com/wp-

CRITERION	RATING	COMMENT
		content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf
10.3a Forced Labour (human trafficking)	Conformance	<p>The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights. The Entity does not engage in, nor support trafficking of persons directly or through any employment or recruitment agency. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf</p>
10.3b Forced Labour (deposits, fees, advances)	Conformance	<p>The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights. The Entity does not require any form of deposit, recruitment fee, or equipment advance from Workers, directly or through employment or recruitment agencies. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf</p>
10.3c Forced Labour (migrant workers)	Conformance	<p>The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights. The Entity does not require any form of deposit, recruitment fee, or equipment advance from Workers, directly or through employment or recruitment agencies. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf</p>
10.3d Forced Labour (debt bondage)	Conformance	<p>The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights, The Entity does not hold Workers in Debt Bondage or force them to work to pay off a debt. More information is available at: https://www.novelis.com/wp-content/uploads/2020/07/Novelis-Code-of-Conduct-2023-English.pdf</p>
10.3e Forced Labour (freedom of movement)	Conformance	<p>The Entity implements and adheres to the UN Global Compact, which expresses the commitment to respect Human Rights.
